### Citing Text Evidence

When answering questions after reading a text you **MUST** use one of these sentence starters to cite your evidence! Remember, you must include the author's last name and the page number in every answer. If there is more than one author include both names.

#### Sentence Frames to use:

1. According to the text...
2. The author stated...
3. In the text it states...
4. The text explicitly states...
5. One example from the text is...
6. On page \_\_\_\_ it said...
7. For example...
8. From reading I know that...
9. Based on what I read...
10. The author wrote...
11. The graphic on page \_\_ showed...
12. I know because...
