## PROGRESS REPORTS

Earlier this week, I sent home progress reports to those students that had below a 70% in language and/or history. This was to inform you that when you receive their six-week progress report in the mail the week of October 8<sup>th</sup>, you wouldn't be caught off guard. Some of these students have turned in some missing assignments and their grades may have changed. In addition, some assignments may be missing since I last printed these out and you may receive a progress report with a grade below a 70% in language and/or history. Please track their progress on Parent Connect.

The six-week grading period has ended and their grades have been posted from August 20<sup>th</sup> – September 28<sup>th</sup>. No new scores will be put in until Wednesday, October 3<sup>rd</sup>. It is a possibility that your child's grades could change by the time you receive their progress report for the better or the worse. Again, please track their grades on Parent Connect.

## CLASSROOM DONATIONS

Donations are always accepted for the class. We are always in need of hand sanitizer, Clorox wipes, and Kleenex. Thank you!

## Week of October 1<sup>st</sup>

### ELA

They will have a few more objective summaries to write this week and another perfect paragraph. They will take a test on The Other Side of the Sky and have a language worksheet. If

## DONUT GAME! PERIOD 3 & 4 YOU'RE UP NEXT!

If the Dolphins beat the Patriots on Sunday then I will bring doughnuts for my 3<sup>rd</sup>/4<sup>th</sup> period class. They will be available before school, during break, or when they come in. I warned them that if they wait until they come to class at 9:55, the good ones might be gone. Because I'm doing this for my 3<sup>rd</sup>/4<sup>th</sup> period class, 2<sup>nd</sup> period and 5<sup>th</sup>/6<sup>th</sup> period may bring a snack (candy/gum etc.) **THIS IS ONLY IF THE DOLPHINS WIN ON SUNDAY.**
