News & Notes

I hope you and your family have a very Merry Christmas and a Happy New Year! Enjoy your time with your family.

Being a first-year junior high teacher, I have tried different things that were shared with me from different teachers here. I will continue to use some as well as add some new things. They will not have a bathroom/excuse pass for the 2nd semester. I will be doing a ticket system. These tickets will also be used for drawings for homework passes and other prizes.

I will not be having detention in my room any longer for the school. Because of this, I will be available during most lunches if students would like to work during this time. I will allow them to eat their lunch in my room as well during the lunch period only.

Week of January 7th

History

We will continue with chapter 4 in history learning about China. There will be no interactive notebook for this chapter or any other chapter for the rest of the school year. They will continue to have a study guide for each quiz and for the chapter test.

ELA (3/4 & 5/6 period)

The class will read an excerpt from The Hunger Games and learn about the different types of media. They'll have lessons and worksheets in language and vocabulary. They will be using the computers a lot more when they return.

CLASSROOM DONATIONS

With cold season coming up, donations are always accepted for the class. We are always in need of hand sanitizer and Kleenex. Thank you!
