## News & Notes

\* We have Open House on Thursday, April 11 from 6:00 p.m. to 8:00 p.m. Classrooms will only be open from 7:00-8:00 p.m. The focus of everyone's attention will be on our academic teams and groups in the MPR, and VAPA in the Gym from 6:00 to 7:00 p.m.

\* There still are a lot of students with missing work and/or zeros. Continue to check Parent and Student Connect to see their grade and what's missing.

"Whatever It Takes"

## Stay Healthy

I have had several students absent from being sick. I've talked to the classes about the importance of washing their hands and not sharing food or especially water bottles (which I've seen in class).

## Week of April 8<sup>th</sup>

### History

The 50-question chapter six test is on Tuesday. On Monday, I will go over every question with the class. If they didn't finish their index cards or they left them at home, they will have to wait outside. If they are absent on Monday, they still will take the test on Tuesday. They will turn in their index cards on Tuesday for a grade as well. Just a reminder that this test cannot be dropped.

### ELA (3/4 & 5/6 period)

The class is finishing their district performance task from last week. They started this last Wednesday and she complete it by Monday. Many students have already completed this last week.

When the students return from spring break, they will be doing a lot of reviewing for the state test. They will be taking practice tests online. State testing begins in May and last the entire month. There will be less assignments during this time. That's why it was important for the students to keep up with their work and do well on their tests at the beginning of the semester.

**THERE WILL BE NO EXTRA CREDIT**
